Langelier

The map displays a street grid with a grey background. A white road labeled 'Jean-Talon' runs horizontally across the middle. A white road labeled 'Langelier' runs diagonally from the bottom-left towards the top-right. At their intersection, a large area is outlined in orange, indicating a construction zone. Within this orange zone, two red rectangles represent buildings to be demolished. One red rectangle is positioned higher and further to the right, while the other is lower and further to the left. Several other grey rectangular shapes are scattered across the map, representing other buildings in the area.
